Have you read The Tale of Peter Rabbit? It's a very famous children's book, written by Beatrix Potter.

Beatrix was born in 1866. She and her brother kept many small animals as pets – rabbits, hedgehogs, guinea pigs, mice, frogs and even bats! They both liked to draw their pets, but Beatrix liked drawing animals from her own imagination most. She also loved exploring and drawing nature when they visited beautiful places like Scotland and the Lake District.
